## 7. How we share your information:

We may employ third-party companies and individuals to facilitate our service, to provide the service on our behalf, to perform service-related services, to provide security and IT infrastructure, to help us manage our business or to assist us in analysing how our service is used.

These third parties may have access to your personal information, but only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose. We value your personal information, and our service providers are closely selected to ensure that they comply with the relevant safeguards and technical measures in relation to your personal information.

We may also use third-party service providers to monitor and analyse the use of our service.

We may need to share your information when we believe it is required by law, legal process or to help protect the rights and safety of you, us, or others. We attempt to notify members about legal demands for their data when appropriate in our judgment unless prohibited by law or court order or when the request is an emergency. We may dispute such demands when we believe, at our discretion, that the requests are overbroad, vague, or lack proper authority, but we do not promise to challenge every demand.

We may also disclose your information:

- Where we have a duty or a right to disclose in terms of law or industry codes;
- Where we believe it is necessary to protect our rights.

## 8. Your rights and obligations:

Data Retention:

We keep most of your personal information while we still have a purpose, we need to provide you with services or where we are legally obligated to do so.

We will also keep your information where you have agreed for us to do so, or have given your consent that we are allowed to do so.

We keep some of your information even after our business relationship has terminated, if it is reasonably necessary to comply with our legal obligations, meet regulatory requirements, resolve disputes, maintain security, prevent fraud and abuse, enforce our other user agreements, or fulfil your request to object to our processing of your information.

You have rights in connection with your personal information. You have many choices about how your information is collected, used, and shared.

#### Your rights:

In certain circumstances, by law, you have the right to:

- **Request access to your information:** You will be able to ask us what information we have about you as well as ask for a copy of this information. This should be done on request to [lanib@channelport.co.za](mailto:lanib@channelport.co.za). There are some exemptions, which means you may not always receive all the information we process. When we can give you a copy it might be done at a certain fee, which will also be communicated to you at the time of your query.
- **Change or correct information:** You have the right to ask us to rectify information you think is inaccurate. You also have the right to ask us to complete information you think is incomplete.
- **Delete information:** You can ask us to delete or remove personal information under certain circumstances.
- **Object to processing:** You can do this where we are relying on your legitimate interest, public interest, or our legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground. You also have the right to object where we are processing your data for direct marketing purposes or where you have given your consent for the specific processing and you want to retract your consent. Retracting your consent does not invalidate the information we lawfully processed while we had your consent to do so.
- **Request the restriction of processing:** You can ask us to suspend the processing of personal data about you, for example, if you want us to establish its accuracy or the reason for processing it.

#### **9. Changes to our privacy notice:**

Changes to the privacy notice apply to your use of our services. We may modify this privacy notice from time to time, as required by changes in legislation. When material changes are made, we will provide notice through our services, or by other means, to provide you the opportunity to review the changes before they become effective.

You acknowledge that your continued use of our services after we publish our changes to this privacy notice means that the collection, use, and sharing of your personal information is subject to the updated privacy notice.

## **10. Other important information:**

### **Security:**

We have put in place appropriate security measures to prevent your data from being accidentally lost, used, or accessed in an unauthorised way, altered, or disclosed. In addition, we limit access to your personal information on a business need-to-know basis, and subject to a duty of confidentiality.

### **Transborder information transfers:**

We do not transfer personal information of customers, suppliers, service providers, or other third-party information to any country outside of the Republic of South Africa. However, if the transfer of your personal information across South African borders are required, the transfer of the personal information will only be effected if the transaction requires transborder processing. In such instance the personal information will only be transferred in accordance with the requirements of POPIA and/or other South African legislative requirements, and/or if the data subject consents to the transferring of personal information to a third-party in a foreign country. In the event of transborder transferring of personal information we will take the necessary steps to ensure the processing of personal information is done in accordance with the laws of the jurisdiction the information is transferred to and/or that binding corporate rules or binding agreements are in place that provide for levels of protection at an adequate level in accordance with the principles of POPIA.

Note that we may use productivity software solutions such as Microsoft 365 or Google Business for our business-related administrative tasks and cloud storage. In addition, we may make use of software and applications specifically developed for us by a third-party to fulfil our operational requirements. The information collected through these third-party services and service providers may be stored on the servers of the software solution providers, which may be located outside the borders of South Africa, however we will ensure that the proper safeguards are in place to protect your information.
